

Friendship Academy of Fine Arts (FAFA) receives the coveted 2011 “Wellness by Design” Gold Award, awarded by Hennepin County Human Services and Public Health Department.

This is the highest honor awarded and FAFA is recognized for going above and beyond in creating a healthy environment for its students and staff.

FAFA has long been an advocate of health and wellness and is now applauded for excellence in promoting healthy lifestyles to its students and staff through nutrition, physical education, community / family involvement, social services and counseling.

FAFA is very proud to receive this 2011 “Wellness by Design” Gold Award and will continue to promote and support wellness for FAFA students, families, staff and community.

Congratulations FAFA!!!
