Board of Directors Update

Thank you Friendship Academy families and community for participating in Friendship Academy's first electronic election! Thank you to individuals who ran for the School Board this year, helped to conduct the election, expressed interest in the school board, served on the School Board in prior years, or have been visiting our School Board meetings in recent years.

The School Board welcomes increased participation from staff, families, and community in school board activities. If you are interested in learning more about the school board, getting involved is a good way to get started.

We invite you to share your skills and interests by volunteering to serve on school board committees such as the fundraising committee, marketing committee, governance committee, and finance committee. The school board will also have brief projects throughout the coming school year that your participation can improve.
