One More Week!

Hello Friendship Academy Families,

We are one week away from the start of the school year and our team is excited for what is to come. By now you should have heard from your teacher to set up your Individualized Learning Plan (ILP) meetings. If not, please contact our office and we will ensure you are contacted. As you know, this will be a different year but we are ready to educate your child regardless of the challenges we face. We know there are many questions so please reach out to your teacher or our office with any that you may have. We are in this together and looking forward to partnering with you.

Below you will see a number of helpful links providing information needed to start the school year off strong.

Sincerely,

Dr. B. Charvez Russell
Executive Director
