

Friendship Insider Iss. 68 - Goal Setting

October 13, 2020

B Week

Habit 2: Goal Setting

Hello Friendship Academy Families,

This week we are continuing to focus on Habit 2: Begin with the end in mind specifically focused on setting goals. This means “I plan ahead and set goals. I do things that have meaning and make a difference. I am an important part of my classroom. I can make a difference and contribute to the vision and goals of my school and in my classroom. I look for ways to be a good citizen.” Setting effective goals helps scholars maximize their time and focus on reaching their goals.

This week we have conferences and is the perfect time for our scholars to set goals for the year with their families and teachers present. As an personalized learning school the goal is for our scholars to take control of their own learning and communicate what they need in order to reach their goals.

Below you will see a number of helpful links information needed to

DO A DAILY HEALTH SCREENING Before Sending Your Child to School

To help ensure safe and healthy schools, we request that all parents/caregivers perform a daily health screening for their students prior to sending them to school on an in-person learning day. Please use the Minnesota Department of Health (MDH) [screening tool](#). Here is a summary of the screening tool:

Does your child have one or more of these symptoms?

<p>Fever of 100.4 degrees or higher</p> <p>Fever</p>	<p>Difficulty or trouble breathing</p> <p>Breathing</p>	<p>New cough or a cough that gets worse</p> <p>Cough</p>	<p>New loss of taste or smell</p> <p>Loss of Smell</p>
--	---	--	--

If you answer "Yes" to at least one of the above symptoms:

- ▶ Please keep your child home when sick. DO NOT send them to school.
- ▶ Contact your school's attendance line to report your child absent.
- ▶ Consider contacting your health care provider.

Does your child have two or more of these symptoms?

<p>Sore throat</p>	<p>Nausea</p>	<p>Vomiting</p>	<p>Diarrhea</p>	<p>Chills</p>
<p>Muscle pain</p>	<p>Excessive fatigue (extreme tiredness)</p>	<p>New or severe headache</p>	<p>New nasal congestion or runny nose</p>	

If you answer "Yes" to at least two of the above symptoms:

- ▶ Please keep your child home when sick. DO NOT send them to school.
- ▶ Contact your school's attendance line to report your child absent.
- ▶ Consider contacting your health care provider.

Close Contact

<p>Has your child had close contact (within 6 ft for 15 minutes or more) with anyone who is positive for COVID-19, OR do you have a household member waiting for COVID-19 test results?</p>	<p>▶ Please keep your child home. Your student can return 14 days after the last close contact with someone with COVID-19.</p>	<p>▶ Even if your child has a received a negative COVID-19 test, they cannot return to school until 14 days have passed since they had close contact.</p>
---	--	---

Join the FAA Families Facebook Group

We have partnered with a local organization who is offering food support to anyone in need. These Food Boxes will be delivered every Thursday for a Month, starting October 8th by the same driver between 2-4pm if delivery is needed. Otherwise the boxes can be picked up at the Primary location @2600 E. 38th St. These boxes include, dairy products, protein, and fruits & vegetables. Please fill out the form below to indicate if you need a box and how you would like to retrieve it. Thanks!
