

Friendship Insider Iss. 74 - Habit 4: Win Together

November 29, 2020

Learning Model: Remote Learning w/Supports

Hello Friendship Academy Families,

Think Win-Win isn't about being nice, nor is it a quick-fix technique. It is a character-based code for human interaction and collaboration.

We think about succeeding in terms of someone else failing—that is, if I win, you lose; or if you win, I lose. There is only so much pie to go around, and if you get a big piece, there is less for me; it's not fair, and I'm going to make sure you don't get anymore.

Win-win is a frame of mind and heart that constantly seeks mutual benefit in all human interactions. Win-win means agreements or solutions are mutually beneficial and satisfying. We both get to eat the pie, and it tastes pretty good when we eat it together!

This week let's win together by being more diligent with Covid-19 protocols rather at home or coming in for support. Please see below for reminders:

If you are experiencing symptoms (Fever or chills, Cough, Shortness of breath or difficulty breathing, Fatigue, Muscle or body aches, Headache, New loss of taste or smell, Sore throat, Congestion or runny nose, Nausea or vomiting, or Diarrhea) please stay
