Learning Model: Remote Learning w/Supports

Hello Friendship Academy Families,

Congratulations! We have successfully completed the first trimester of the 2020-21 school year! It's been challenging but we have remained **Friendship Strong to Keep the Learning Going**. Our teachers, scholars, families, support staff, administration board of directors, and supporting community should be proud of what we have accomplished. As we transition to Trimester 2 let's continue to build upon the great work we have done together.

When we return from Winter break on 1.4.21, we will be completely virtual and in person supports will be paused. This is out of extra precaution due to the potential spread of Covid-19 over the holidays. During this time, families who are receiving in person supports are asked to quarantine. **In person supports will resume on January 19th.** We will use this week as a prep week for families who are in need of additional support.

The Friendship Community Services Learning Pod is a separate program and will resume on January 4th.

Looking forward to working with you this week. #friendshipstrong
