

Family and Community Collaboration Meeting

January 9, 2018

Topic: The Importance of Credit

Presenter: Alisha Mitchell and guest presenter.

>There was a lot of discussion about how credit work and what makes up your credit score.

>Tips on how to increase and maintain your credit score.

>What you should not do that can harm your score and some actual parent testimonies on their credit situations and how they have overcome their credit problems.

>Information was given on helps and free resources like Credit Karma. It was stressed that you must monitor your credit daily and call or write to creditors on any reported errors made to the three main credit reporting agencies.

>A couple prizes were given away.
