FIM Notes:

Friendship Academy hosted their 2nd annual Community Brunch on Friday, March 29, 2019. What a great turn out! We were graced by the presence of 3 amazing leaders in our community; Mr. Stephen Shepherd, leader in restorative practices, Mr. Gary Hines, Executive Director of Sounds of Blackness, and our very own, Mrs. Nell Collier, educational consultant. Each panelist shared with us their journey to excellence and provided us with so much knowledge and information.

A special thank you to our panelists and to everyone that joined. Also, thank you to the volunteers!
