

# **Family Involvement Committee Meeting**

**Topic: Family Game Night | Trivia**

**Date: 12/11/18**

**Time: 5:30pm**

**Location: FAA Cafeteria**

**Host: Secretary Yolanda Lawhorn**

**Dr. Russell opened the first 5 minutes of the night with our personal mission for FAA. He handed out a sheet for each parent/guardian to write down their personal mission statement, as they are going to post them around the school. **Please note: if you haven't already done your mission statement, please see office staff for assistance.****

**Secretary Yolanda gathered our team captains for the night, President Chaunea and Vice President Hope (Team Chaunea & Team Hope). They split the room into equal teams. Dr. Russell was in charge of keeping score and time. We had 5 categories: Music, Animals, Food, Movies and Sports. Each category had 8 questions with the exception for food and movies; with a bonus question. Each team was given 30 seconds to answer each question. If a team answered incorrectly, the other team would have a chance to answer correctly. Once the game started to dwindle down to its final questions, we prepared ourselves to find out who the winner was. Team Chaunea took the victory, though both teams did very well!**

**M.L. passed out the surveys and President Chaunea announced the World's Finest Chocolate Bars fundraiser winners.**

**In first place, Antoinette Flores & first grader Marco Hill, selling 603 candy bars!! Second place, Yolanda Lawhorn & first grader Anthony Davis, selling 382 candy bars!**
